**Tara Jebens-Singh Announces Candidacy for  
Ramsey County Commissioner District 1**

(North Oaks, MN) — Tara Jebens-Singh, a resident of Ramsey County for over thirty years, is proud to announce her candidacy for Ramsey County Commissioner District 1 in the 2024 election. Jebens-Singh has been a dedicated advocate for accessible, affordable, culturally-responsive, age-friendly, and quality health and human services her entire career.

“I am running for office to champion investments in programs that support youth and families, develop livable communities, and protect our environment.” Jebens-Singh said. “I will be a responsible steward of the county’s resources, while moving us closer to the vision of a community where all people have the opportunity to thrive and contribute.”

Jebens-Singh has led public policy, wellness, education, equity, older adult, and mental health programs throughout Ramsey County for over 25 years. Her most recent role was President and CEO of Northeast Youth & Family Services. She has challenged systemic inequities and worked to reduce disparities in access and outcomes. Jebens-Singh is deeply rooted in the community and has a long history of civic engagement.

“My professional mission is to build community capacity to meet the needs of its members, while also building member capacity to meet the needs of the community.” Jebens-Singh continued, “We all need support, and we all have gifts to share. We can not afford to leave anyone behind in our schools, workforce, or community.”

Jebens-Singh and her husband RJ raised their two sons in Roseville, and now live in North Oaks. As the primary caregiver for aging parents and children with chronic conditions, she understands the struggles many families have in negotiating complex, often inadequate and unsympathetic systems. She is passionate about centering the voices of those most impacted by the County’s work.
